1. **ProQuest PsycARTICLES**: full-text articles from APA journals, APA Educational Publishing Foundation, the Canadian Psychological Association, and Hogrefe & Huber; log in with the 14-digit barcode on the back of your student ID.

2. **Academic Search Premiere**: multi-disciplinary database of peer-reviewed full-text and abstracts of journal articles; log in with your student ID number and your densem password.

3. **ProQuest PsycINFO PlusText**: index and abstracts of international psychological literature, including journal articles, books, and dissertations, not limited to APA and ACA publications, log in with the 14-digit barcode on the back of your student ID.

If you locate an article in *PsycINFO* without a full-text you can search for the article in the DTL.

1. Choose Journals from the DTL home page.

2. Choose Advanced Search from the next page, and keep *(x0:jrnl)* on the 1

3. Enter the title of the journal on the 2

5. Scroll down the Journal page to “Browse specific issues” to locate the article.

6. If you still cannot find the article, request it through Interlibrary Loan or email Charlotte Nutter.
