DEFINITION OF THE MINISTRY RESIDENCY PROGRAM:

By definition the Residency Program is an internship and contains the following:

- 1. Similar ministry training as that available in and through schooling for future clergy;*
- 2. This training is for the benefit of the trainee;*
- 3. Resident is not a replacement for a regular employee, but works under close observation;*
- 4. This program is considered to be of greater value to the trainee than to the employer;*
- 5. Trainees are not necessarily entitled to a job at the completion of the program;*
- 6. Employer and trainee understand that trainees are not entitled to wages for the time spent in training.*
