

Student Wireless Printing

Once connected to DSnet, students can print from their own mobile devices by utilizing "Mobility Print" by PaperCut MF

<http://mpsetup.densem.edu>

You can print using any of these devices, with the same credentials you use for MyDenSem, Dmail and Moodle:

Windows

mac OS

macOS

iOS

Android

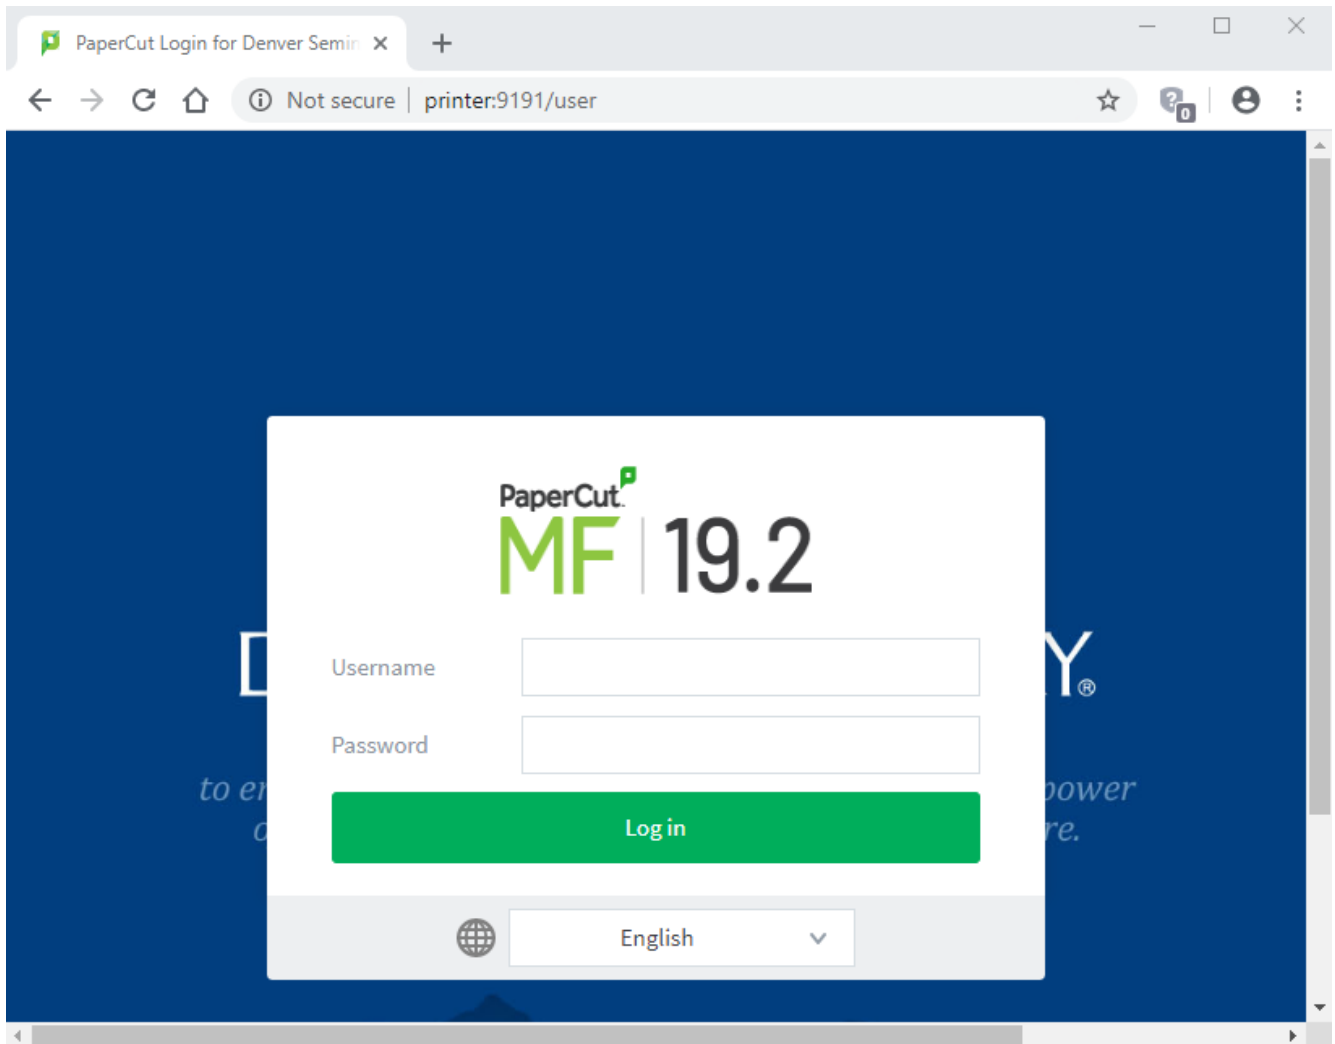

Chrome OS

Black and white print/copy jobs will deduct 10 cents per side, color will be 15 cents per side from the student's print/copy (PaperCut) account.

To access your account, go to:

<http://mpaccount.densem.edu>

Again, you can access your account by using the same credentials as MyDenSem, Dmail and Moodle
